Assessment Rubrics

Kenneth Wolf, PHD
Director of Assessment
CU Denver | Anschutz
Medical Campus

September 23, 12 noon
Academic Office Building 1,
Conference Room 6101

Assessment rubrics are multi-purpose scoring guides for assessing student products and performances. A rubric takes the form of a matrix that identifies the criteria for a performance, the levels on which it is rated, and descriptions of performances at each level. Rubrics work in a number of different ways to advance teaching and learning, including clarifying the learning target for students, guiding instruction, and contributing to sound assessment.

A light lunch will be served. Please register and select your preferred sandwich.
